

Z Skin Repair Scalp Lotion Spray

Many people have problems with the skin on their scalps at times. This, in turn, can lead to problems with the hair. A healthy scalp usually means that it is easier to keep the hair healthy and beautiful. With these things in mind, this scalp spray was developed with an effective formula for treating scalp problems. Among the main active ingredients, besides Zonase X, are, among others, horse chestnut, vitamin B5 and zinc oxide, which can assure a healthy scalp.

Z Skin Repair Scalp Spray can advantageously be used at night, together with daytime use of Z Skin Repair Shampoo. It comes in a spray bottle containing 70 ml.
